Vocabulary

- C1** Your good command of vocabulary on a broad range of general, academic, professional and leisure topics enables you to understand most written texts.

The results of your language assessment do not prevent you from taking part in the Erasmus+ mobility period. The results according to the [CEFR](#) are accessible to you and your Higher Education sending institution or EVS coordinating organisation. For Higher Education students, the results are not communicated to the receiving institution/organisation. For EVS volunteers, the results are not communicated to the other organisation(s) in your project. However, you are free to send the results to them.

At the end of your Erasmus+ mobility period, you will be required to complete another language assessment to check the progress made in your language competences during your stay abroad. The European Commission uses aggregated data of the language assessment results for statistical purposes.
